Welcome to the land that time forgot!

Yes, trapped in a time warp, you will find this mature cottage, which is at the end of a short terrace of 4 properties on the outskirts of this popular Cheshire village.

Make no bones about it, this is another 'doer-upper' and even though the property has been lived in until relatively recently, it is in need of modernisation throughout. This is no bad thing as it will allow you to have your own choice of kitchen/bathroom/carpets etc., knowing of course that you can live in it whilst undertaking such work.

An internal inspection will reveal 2 bedrooms and an upstairs bathroom, whilst downstairs there is a spacious sitting room and a kitchen with utility area off. It faces open countryside and has a useful range of outbuildings including a single garage and there is a pleasant (if not a little overgrown) elevated garden.

However, the big plus point is its location.....

Few people are aware that there are any properties on the lane, no doubt due to the fact that it is a no through road, so hardly any cars venture along here in the first place. Surprisingly though, it is not isolated and is within easy reach of the village itself.

The village of Tilston is highly regarded and there is a real sense of 'community' living here. There is a village pub, a primary school and a church. With easy access to the A41, it has the great advantage of swift vehicular access to the nearby market town of Whitchurch in the south, the city of Chester to the north and there is very pretty surrounding countryside, with the foothills of Wales to the west.

It has the great advantage of being offered with the benefit of having NO ONWARD CHAIN.
