### Overview

Situated on the fourth floor of one of Covent Garden's most sought-after residences is this contemporary one bedroom apartment. The apartments in this building benefit from a weekday porter, lift access and access from both Wild Street and Drury Lane. The living space is open plan with a smart kitchen at one end defined by the tiled flooring. Wooden flooring is fitted in the remainder of the space and hallway while the bedroom is carpeted and comes with useful storage. There is a white suite bathroom with shower over bath, further storage in the hallway and high ceilings allow the light to flood in.

Holborn Underground Station (Central and Piccadilly Lines) is a short walk from the apartment allowing seamless travel to The City. Several buses operate on nearby Kingsway and Aldwych, while those requiring travel out of London can alight overland services from Charing Cross. Central London neighbourhoods like Soho and Bloomsbury, and the legal hubs of Gray's Inn, Inner Temple, Lincoln's Inn and Middle Temple, are all within walking distance.

# People Make Places

London is a collection of inspiring urban villages and one of the most exciting places in the world to live, work & play.

We work with both property owners and their occupiers, sharing the story of these vibrant neighbourhoods, conveying the unique soul & energy to future custodians, the people who'll keep them buzzing.

And unlike many real estate businesses we're not just about buildings, because streets & buildings don't make a neighbourhood.

We're about building relationships, because **people make places**.
