- Luxury finish
- Unfurnished
- Available May
- Grand entrance way
- Moments from Piazza
- Covent Garden & Leicester Square tubes

**King Street, Covent Garden WC2**

### Overview

Boasting high ceilings and stunning features that include a light grey panelled wall in the bedroom, dark painted woodwork, wooden shutters at the windows and a smart cream kitchen, this one bedroom apartment occupies a prime location in Covent Garden moments from the Piazza. Interiorly designed by Edwards Philips, the apartment is on the second floor, with lift access, and has a luxury feel. Marble effect tiles are fitted in the bathroom and a fireplace creates a focal point in the living space with a sliding door providing access to the sleeping space.

King Street is one of Covent Garden's most sought-after addresses and benefits from being fully pedestrianised 20 hours a day. Leading directly onto the Piazza and historic Market Building, the street plays host to a variety of luxury retail brands including Apple, Glossier, Chanel and Dior in the immediate vicinity. Multiple transport options are within easy reach, including Covent Garden (Piccadilly line – 49 minutes to Heathrow), Leicester Square (Piccadilly and Northern Lines) and Charing Cross (National Rail, Northern and Bakerloo Lines) Underground Stations.

The apartment is available in May on an unfurnished basis. Subject to contract and satisfactory references, the landlord offers a one-year lease with a mutual rolling six-month break clause. Westminster Council tax band: E.

# People Make Places

London is a collection of inspiring urban villages and one of the most exciting places in the world to live, work & play.

We work with both property owners and their occupiers, sharing the story of these vibrant neighbourhoods, conveying the unique soul & energy to future custodians, the people who'll keep them buzzing.

And unlike many real estate businesses we're not just about buildings, because streets & buildings don't make a neighbourhood.

We're about building relationships, because **people make places**.
