Carnaby is an enclave of only 14 streets in the northwest corner of Soho, yet Carnaby is very much a neighbourhood in its own right. Carnaby Street is world renowned as the epicentre of Swinging London in the 1960s and has continued its association with fashion and youth culture to this day. Nowadays, an array of boutiques showcase both established brands and emerging independents, with everything from classic Mod fashion to cutting-edge streetwear, with the iconic Carnaby Street sign a perfect backdrop for Insta-worthy moments.

The apartment is available in May on a furnished basis. Subject to contract and satisfactory references, the landlord offers a three-year lease with a mutual rolling six-month break clause. Westminster City Council tax band: G.

People Make Places

London is a collection of inspiring urban villages and one of the most exciting places in the world to live, work & play.

We work with both property owners and their occupiers, sharing the story of these vibrant neighbourhoods, conveying the unique soul & energy to future custodians, the people who'll keep them buzzing.

And unlike many real estate businesses we're not just about buildings, because streets & buildings don't make a neighbourhood.

We're about building relationships, because **people make places**.
