- Separate kitchen
- Short walk to Leicester Square station
- Central Chinatown

Lisle Street, Chinatown WC2

Overview

A spacious one bedroom apartment with separate kitchen that has been refurbished to a modern style on the third floor, walk-up, of a period building. An oversized marble fireplace create a focal point for the living space while wrought iron radiators add to its character. The separate galley kitchen is fitted with smart grey units and has enough space for a small bistro dining table and chairs. Contemporary white square wall tiles feature in the shower room that are set off with dark grey grout, patterned monochrome floor tiles and smart black fittings. Useful storage is found in the bedroom and secondary glazing is fitted for tenant comfort.

From dim sum delights and hidden tea houses, to the lively bars and clubs of Lisle Street, Chinatown offers a genuine taste of the Far East in the centre of our cosmopolitan city, where heritage and culture combine to create a sensory escape that has long been woven into London's rich and diverse tapestry. Bus services can be reached via nearby Shaftesbury Avenue while underground services can be accessed via nearby Piccadilly Circus (Bakerloo and Piccadilly Lines) and Leicester Square (Northern and Piccadilly Lines) Stations. Covent Garden, Soho, Mayfair, Fitzrovia and Carnaby are all easily reached on foot.

The apartment is available in June on an unfurnished basis. Subject to contract and satisfactory references, the landlord offers a three-year lease with a mutual rolling six-month break clause. Westminster Council tax band: E.

People Make Places

London is a collection of inspiring urban villages and one of the most exciting places in the world to live, work & play.

We work with both property owners and their occupiers, sharing the story of these vibrant neighbourhoods, conveying the unique soul & energy to future custodians, the people who'll keep them buzzing.

And unlike many real estate businesses we're not just about buildings, because streets & buildings don't make a neighbourhood.

We're about building relationships, because **people make places**.
