The open plan living kitchen offers a wonderfully social space with plenty of room for soft seating and dining furniture plus, part glazed double doors creating a wonderful flow from in to out. The kitchen itself has a comprehensive range of shaker style fitted units with a variety of integrated appliances and space for an AGA. Behind the kitchen, an inner hall gives way to the utility/boot room providing further storage, space for white goods and access to a further hallway leading to the ground floor ensuite bedroom.

To the right of the main hallway is the first reception room, a cosy but light-filled room with a beam to the ceiling, a stone fireplace with log burner inset and part glazed doors opening out to the patio and garden. A hallway from here leads round to a further 28 ft. reception room, an incredible size and currently used as a party/games room. This fantastic space comes complete with a beautiful stone fireplace housing a log burner, windows overlooking the garden and bi-folding doors to the far end opening to a separate seating area. The ground floor is completed by a useful study and a downstairs cloakroom.

First Floor

Stairs rise to a galleried landing that gives way to the bedroom and bathroom accommodation. The principal bedroom sits to the west gable end, an impressive room with a vaulted ceiling, exposed beams and stonework, space for free-standing wardrobes and a large ensuite shower room. There are two further double bedrooms, both with built-in wardrobes and a generously sized single, all served by the family bathroom. The family bathroom comprises a free-standing bath, wash hand basin, low flush lavatory and large built-in cupboard.

The property is accessed via a tarmac driveway giving way to a large parking area and access to the double garage with up and over doors. A pathway from the driveway leads to the front door and then continues round to the right-hand side of the property into the rear garden.

The rear garden makes up the majority of the plot and has been beautifully landscaped. There is a multitude of soft planting and seating areas creating an amazing and private outdoor space to enjoy throughout the seasons. The rear garden is also home to a stone outbuilding, summer house and full-sized tennis court.
