### Ground Floor

The ground floor in brief comprises a breakfast kitchen, three reception rooms, a utility room, and a ground floor shower room. The breakfast kitchen is at the front of the property overlooking the landscaped front garden. The kitchen itself has a comprehensive range of contemporary fitted units with all integrated appliances and a breakfast bar seating four. A utility room sits just off with further storage, space for white goods and a door out to the side of the property. An archway from the kitchen flows into a well-sized dining room with a glazed door opening out to a glass canopy, decking area and garden.

Glazed double doors then open into the property's main living room, spanning almost the entire depth of the house with a log burning stove and glazing to the rear elevation providing wonderful views over the garden. A further reception room sits just off the main living room with a glazed door opening out to the decking. This room also provides access to a ground floor shower room and a study and could easily be used as a ground floor bedroom.

## First Floor

To the first floor, a spacious landing provides access to three double bedrooms and a small double. The master bedroom suite is a generous size, complete with both a dressing room, an ensuite bathroom and a balcony providing the ideal spot to enjoy the garden views. The second bedroom also has views over the garden and has built-in wardrobes and its own ensuite shower room. The two further bedrooms are served by a family bathroom comprising a bath, separate shower, wash hand basin, low flush lavatory and heated towel rail.

## Outside

Outwardly the property has been expertly landscaped. To the front there is ample off-road parking on a private driveway with an area of structured hard landscaping, planted box hedging and topiary intersected with Indian sandstone paths. There are also lovely views from the front of the property looking out over Rutland Farm Park.

To the rear of the property there is a spacious composite deck providing a fantastic entertaining space and creating a wonderful flow from inside to out. Covering part of the deck is a large glass canopy, enclosed on three sides it offers an amazing space to enjoy the garden come rain or shine!

The deck steps down to a beautifully landscaped garden that stretches away from the back of the house to designated seating areas. The garden is certainly a unique and superb feature of this property and when sitting on the deck or looking out from the rear of the house your view is directly over your garden as it stretches away in a southerly direction with a lovely vista over the neighbouring countryside framed by mature specimen trees.
