Summary

This spacious family home is set on a large plot in a popular West Park location. There is plenty of space on offer, both inside and out with the opportunity to extend subject to relevant permissions and a large double garage! The layout promotes a sociable family lifestyle with plenty of reception space, not least a beautifully appointed family living room with feature fireplace, tasteful decor and large windows offering lots of light.

Enter through the front door and you are straight into a wide, open and light hallway with staircase. To the ground floor there is a family dining room with large bay window and feature fireplace. A further reception room offers access to the rear garden and decked seating area. Enter through the side door and you are into the light/bright kitchen which offers the potential to be opened up. The kitchen benefits from a range of units and under-stairs pantry.

On the first floor are three bedrooms, a large master bedroom, 2nd double both with built in wardrobes/storage and a third good-sized single bedroom. The house bathroom is large and light with a white three piece suite and over bath shower.

The plot is larger than expected, with a large driveway, and the ability to turn around. A double garage with depth offers the potential for a larger garden or for conversion to a home office/annex living space.

This popular residential area is only a short distance from the increasing popular amenities West Park has to offer. The vibrant areas of Headingley and Horsforth are located just along the Ring Road and Otley Road respectively. For a more relaxing escape, the sprawling fields of West Park are a stroll away (for most) whilst Cookridge Hall Leisure centre and Golf Course, and Golden Acre Park, are just down the road. Slightly further afield, Otley Chevin, Ilkley, and the Yorkshire Dales are all conveniently placed nearby for a more adventurous day out.
