ABOUT US

ENVIROBUILD
Sustainable Development

Our primary goal is to implement environmentally friendly projects within sustainable locations.
Keeping the Ethos of smaller, more intimate well designed projects with attention to details regarding views, comfort and convenience .

3 The Project

The project name is **IVY VILLAS II**

The second phase of a successful Residential/holiday inspired location. There are a total of 9 villas with pools in this project. All benefiting from sea and Mountain Vistas all facing North Westerly to capture the perfect summer evening sunsets.

Each Property is Detached 3 Bedroom 3 bathrooms with a private Infinity pool

4

LOCATION

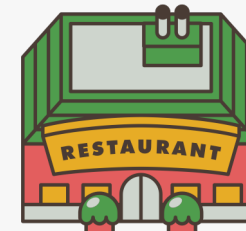

CYPRUS-ESENTEPE

Our project is located in the Esentepe region,
In Recent years one of the most exciting
locations for development
With many established facilities and many
more to come.

We are close to Golf courses, small marinas,
mountain trekking, beaches and the local
city is a short drive
