This two bedroom mid link property is located in a popular residential development within Brackla. Longacres is a short walk from all the local amenities. The property lies in a cul de sac at the start of the development, the accommodation comprises a lounge, kitchen/diner and cloakroom/WC to the ground floor and two double bedrooms and family bathroom to the first floor. There is an enclosed rear garden and the property comes with two allocated parking spaces.

Ground Floor The property is entered via a double-glazed front door leading into a welcoming lounge. The carpeted room features a front-facing window and a staircase rising to the first floor, with additional space for furniture beneath. Continuing through, there is access to a ground floor cloakroom fitted with a two-piece suite comprising a wall-hung wash hand basin with splash back tiling and a WC. The room benefits from vinyl flooring and a radiator. From here, the lounge opens into the kitchen/dining area, which is fitted with a range of base, wall, and drawer units complemented by laminate work surfaces. The kitchen includes a 1.5 bowl sink, electric oven, four-burner gas hob, and space for a fridge/freezer and washing machine. A cupboard discreetly houses the Glow-worm boiler. There is space for a small dining table and both a sliding patio door and rear window providing plenty of natural light and access to the garden.

First Floor Carpeted stairs lead to the landing, which provides access to the loft and doors to both bedrooms and

the family bathroom. The main bedroom is situated at the front of the property and is a spacious double room featuring triple built-in wardrobes offering excellent hanging and storage space, a window to the front, and fitted carpet. The second bedroom is another good-sized room with a rear-facing window, currently used as a home office. It also benefits from a fitted carpet and a built-in storage cupboard housing the hot water tank with additional storage around it. The family bathroom comprises a three-piece suite including a panelled bath with shower over, pedestal wash hand basin, and WC. The room

is part tiled, has a window to the rear, an electric shaver point, and vinyl flooring.

Outside The property is approached by a pathway and steps leading to the front door, with a front garden laid to lawn. There are two allocated parking spaces belonging to the property — one directly outside and another on the left as you enter the cul-de-sac. The rear garden offers a low-maintenance outdoor space with a patio area leading from the kitchen, decorative stone chippings, and a raised planted border. The garden is enclosed by wooden feather-edge fencing, providing both privacy and security.
