- Off-street Parking

ABOUT THE PROPERTY

Set within the iconic St Pancras Chambers, this two bedroom, two bathroom apartment combines striking period architecture with modern luxury. Originally built in the 19th century and restored to showcase its Gothic Revival grandeur, the building is one of London's most recognised landmarks, offering residents a rare opportunity to live within a piece of history.

The apartment itself has been beautifully designed, featuring a bright open-plan kitchen and reception area, ideal for entertaining, two generously sized double bedrooms and two contemporary bathrooms, one with a bathtub and the other with a walk-in shower. High ceilings, large sash windows and original detailing highlight the building's unique character, while modern finishes create a perfect balance of style and comfort. Residents also enjoy the benefit of a 24-hour concierge service, providing security and peace of mind.

Perfectly positioned above St Pancras International, the location offers unrivalled transport connections across London, the UK and Europe. King's Cross provides access to six Underground lines, while the surrounding area has been transformed into a vibrant destination with world-class restaurants, boutique shops and cultural landmarks all on the doorstep.
