Freehold

£425,000

Key Features

- Detached house
- Three bedrooms
- Dining room, lounge & snug
- Conservatory & breakfast kitchen
- Two driveways & garage/workshop
- Plot approx. 0.49 acre (STS)
- Climastar energy efficient electric heating
- New roof & insulation
- Outline planning permission for 2 dwellings
- EPC rating TBC

A detached house in a popular village location on a plot of approximately 0.49 acre, subject to survey, with outline planning permission for the erection of two dwellings to the side & rear.

Having over 1,700 square feet of accommodation comprising: entrance hall, cloakroom, dining room, lounge, snug, study, conservatory and breakfast kitchen to ground floor. Three bedrooms and shower room to first floor. Outside the property has two driveways providing off-road parking, a garage/workshop and a lawned garden to the rear.

The property has energy efficient heating via Climastar electric radiators and is double glazed. The property has been recently improved and has a full new roof & insulation. The property has CCTV and the carpets were replaced 18 months ago as well as some re-plastering and new skirting boards fitted.

REAR GARDEN

Majority laid to lawn with borders and having a brick built shed, summerhouse & greenhouse. There is also a meadow to the far rear.

THE PLOT

The property occupies a plot of approximately 0.49 acre, subject to survey. Whilst we believe the area of the property has been accurately calculated, any prospective buyer who considers this feature to be particularly important is strongly recommended to have the site measurements checked by their own surveyor before submitting an offer to purchase.

SERVICES

The property has mains electricity, water and drainage connected. Heating is via Climastar energy efficient electric radiators with individual thermostats and the property is double glazed. The current council tax is band C.

CLIMASTAR ELECTRIC RADIATORS

Limestone electric radiators offer several advantages. Firstly, they operate at 100% energy-efficiency, meaning all the electricity used is converted into heat without any wastage. This ensures that every bit of energy is utilised effectively, resulting in cost savings and reduced energy consumption. Additionally, Limestone heaters feature individual thermostats with impressive accuracy of 0.05°C. With precise temperature control, you can achieve the perfect level of comfort while minimising energy waste. Furthermore, Limestone electric heaters are designed to be durable and long-lasting, eliminating the need for frequent maintenance and replacement.
