THE PLOT

The property occupies a plot of approximately 0.30 acre, subject to survey. Whilst we believe the area of the property has been accurately calculated, any prospective buyer who considers this feature to be particularly important is strongly recommended to have the site measurements checked by their own surveyor before submitting an offer to purchase.

SERVICES

The property has mains electricity, water and drainage connected. Heating is via an oil fired boiler serving radiators and the property is double glazed. The current council tax is band E. We are advised that all the first floor carpets were replaced in March 2025 and that the property has all new windows in 2021. Both the property and the garage have an alarm.
