'Highfield Lodge' is an individually designed four bedroom detached house located in the Lincolnshire Wolds village of Welton-le-Marsh. Positioned on an elevated plot measuring roughly 0.4 acre (subject to survey), the property offers flexible living accommodation along with ample outside space!

The internal living space is finished to very high specification with stand out features like oak internal doors and solid oak flooring. The accommodation is split between two main levels with a further ground floor level providing a double garage, utility room and workshop/office space. The main living accommodation briefly consists of a welcoming entrance hall leading into a 26ft long kitchen dining space which in turns flows round into the lounge having double doors out onto the patio area and rear garden beyond. On this level you will also find a WC shower room along with a rear porch area providing further access to the rear garden.

Moving along and up a small set of steps are the bedrooms and main family bathroom. All of the bedrooms are double in size and benefit from large windows allowing plenty of light to flood in.

Externally the property benefits from ample off road parking and a driveway leads to the double garage. There is also a small lawned area to the front of the property with mature borders. A further lawned area extends out towards the side elevation of the property and provides extra garden space but the majority of the gardens can be found to the rear of the property. A patio area provides outdoor seating space and the rest of the gardens are mainly laid to lawn with mature trees and borders. To the rear of the plot there is a further grassed area currently being used a small paddock for goats.

Welton-le-Marsh is a very traditional and popular village located towards the foot of the Lincolnshire Wolds, an area of outstanding natural beauty. The market town of Spilsby is just a few miles away and the larger, seaside town of Skegness is roughly a 15 minute drive away.
