Description

Knightsbridge Prime Property are proud to present this 4 bedroom, 6 Bathroom house in Mayfair. This house underwent an extensive renovation, resulting in a remarkably well-designed layout that offers spacious accommodation spanning nearly 4,000 square feet across four floors.

The lower ground floor is dedicated entirely to home entertainment, boasting a sizable cinema room with tiered seating, a home gym, and a steam room. At the heart of the home, a large family kitchen stands out, featuring intelligently designed, architecturally reinforced glass floors and ceiling, which flood both the ground and lower ground floors with ample natural light. The first floor is designated for formal entertaining and houses an extravagant master bedroom suite with a luxurious bathroom uniquely integrated into an open-plan layout. A rear terrace off the bedroom provides additional space for outdoor relaxation.
