Open Estates are delighted to offer for sale this charming Victorian three bedroom cottage built in 1897 with Tudor style elevations and situated in the heart of the picturesque village of Letchmore Heath.

The property is in need of modernisation and offers a great opportunity to enhance and extend S.T.P.P. On the ground floor the accommodation comprises a lobby and entrance hallway opening into a good sized living and dining room, kitchen, small utility area and then a modern fitted bathroom with separate shower cubicle.

On the first floor are two double bedrooms and a further single bedroom as well as a separate W.C. and a good sized loft accessed from a hatch on the landing.

Externally, a long garden primarily laid to lawn is accessed directly from the kitchen and also with side access through a courtyard.

To the front of the property is unrestricted on-street parking and Radlett Village with its shops, cafes, restaurants and mainline train station are just a short drive away.
