BEYOND COMPARE

Designed by world-renowned architect, Rafael Viñoly, The Bryanston, Hyde Park is a collection of just 54 residences at one of London's finest addresses, affording a spectacular central location and extraordinary views.

Apartment 3.08, a large one-bedroom apartment on Floor 3, features spacious rooms with a flexible layout, generous ceiling heights of three metres, oversized windows and ample storage space, making it a desirable pied-à-terre or comfortable home in central London.

Spanning across two floors, The Bryanston houses exceptional amenities catering for every aspect of luxury living, from wellness and fitness, to business and leisure.

The best of London is a short walk away, including shopping on Oxford Street, exclusive hotels, restaurants and world-famous retailers in Mayfair and the relaxed villagey feel of Marylebone with regular farmers markets and small independent shops.

INTERIOR DESIGN

Inspired by the neighbouring Hyde Park, Apartment 3.08 has been curated by a unique collaboration between reputable design houses Blocc Interiors and Arima.

Playing on the theme of earth and water, the soft colour palette emphasises the abundance of natural light flooding through the floor-to-ceiling windows, creating the feeling of serenity and tranquillity throughout.

Reflecting the building's architecture, the design plays on the perception of straight lines and curves to create a sense of balance and harmony, evoking feelings of serenity and tranquility.
