

Shepherds Farm, Marsh Lane, Cockerham, Lancaster, LA2 0EJ

Offers in excess of £1,500,000

- ◆ A detached Grade II* Listed 5 bedroom farmhouse
- ◆ Range of traditional and modern farm buildings with alternate use potential (STPP)
- ◆ 46 acres or thereabouts of productive arable land
- ◆ A convenient and accessible location close to the amenities of Lancaster and Garstang.
- ◆ For sale by private treaty as a whole or depending on interest, the vendors may consider selling the property in lots.

An exciting opportunity to purchase a well presented small farm in a rural yet highly accessible location. In our opinion there is the opportunity to covert the farm buildings into five dwellings providing circa 10,000 square foot of living accommodation subject to obtaining the necessary planning permissions.

In summary, a great property offering plenty of opportunities to farming, developers/ investors, equestrian, and lifestyle buyers.

LOCATION

Shepherds Farm sits to the west of the rural village of Cockerham located approximately 5 miles from the town of Garstang and 6 miles from Lancaster City. There is easy access to the A6 and to the M6 and to the wider motorway network. There are a wide range of services and amenities within close proximity to the property including good local schools, shops, supermarkets, country pubs and scenic walks. Cockerham is an ideal location for those desiring to achieve a balance between rural living and convenient transport links.

DESCRIPTION

Shepherds Farm comprises a detached Grade II* Listed 5 bedroom farmhouse, a range of traditional and modern farm buildings with alternate use potential (STPP) and productive arable land in all extending to 46 Acres (18.6 Hectares) or thereabouts.

Farmhouse:

The farmhouse provides useful living accommodation over two floors together with attic space on the second floor and a cellar below part of the ground floor. The farmhouse is Grade II* Listed under list entry number 1071795 constructed in 1705 and has original features and character. The external door has an architrave with '17 TSE 05' inscribed on the frieze, and a cyma cornice. Internally, there is an open-well stair with closed string, square newels, turned balusters and a moulded handrail. The farmhouse has in general been very well maintained however is in need of some modernisation.

The ground floor comprises a kitchen with a range of base and wall mounted units in cream colour with oak laminate worktops and an integral oven and hob together with an oil fired aga, a lounge, a sitting room, a dining room, an office, a utility room, and WC, wash hand basin and shower-room.

The first floor comprises five bedrooms, four of which are double and one is a single together with a family bathroom. There is a full staircase leading to the attic space on the southern side of the dwelling which is fully boarded and has been used for storage.

Within the curtilage of the farmhouse there is an open fronted mono-pitch single garage, three separate lawned gardens surrounding the dwelling to the south, north and west including a large orchard comprising well established apple, pear and plum trees all of which is enclosed by a stone wall boundary.

The Buildings:

The farm buildings comprise of a well-presented range of agricultural traditional and modern agricultural buildings, set to the east of the farmhouse. A schedule of the buildings providing their size and current use is attached.

The Land:

Excluding the farmstead and access lane the land extends to approximately 46 acres or thereabouts of productive arable land. The land has the added benefit of road frontage and independent access off Marsh Lane. A schedule of the areas of the various land parcels is included.

SERVICES

The property has the benefit of mains electric and water that is connected to the farmhouse and farm-buildings. There is oil fired central heating to the farmhouse. Foul drainage is by means of a private septic tank which is assumed not to be compliant with the latest building regulations and the buyer must make their offer accordingly.

PLANNING

The farm is located in an area designated as Open Countryside in Lancaster City Councils adopted local plan. The relevant policy; *POLICY DM49: THE RE-USE AND CONVERSION OF RURAL BUILDINGS* is generally supportive of the potential alternative use of the traditional buildings subject to certain criteria being met.

There is also the possibility of the conversion of the modern agricultural buildings under Class Q Part 3 of Schedule 2 of the Town and Country Planning (General Permitted Development) Order 2015 (as amended). This allows for agricultural buildings to be converted into dwellings without the need for full planning permission subject to specified procedures being completed and subject to certain limiting provisions. Part of those provisions requires going through a prior notification procedure where details are submitted to the Council.

We consider buildings 1, 2 and 6 and on the building plan attached to these particulars are suitable for conversion through a full planning application into three dwellings providing approximately 7,490 square foot of living accommodation, taking into account 300mm of cavity wall construction.

We also consider building 4 on the building plan attached will be suitable for conversion under a Class Q prior notification application into two dwellings providing approximately 3,000 square foot of living accommodation, taking into account 300mm of cavity wall construction.

The range of modern and traditional buildings also offer the opportunity for conversion into commercial use both through the full planning application procedure and through Class R prior notification process; Part 3 of Schedule 2 of the Town and Country Planning (General Permitted Development) Order 2015 (as amended).

It will be for buyers to take their own planning advice.
