Fremont Street, E9

A four bedroom four storey house with a private east facing garden. This property has maintained many of its original features with high ceilings, ornate cornicing and sash windows. This house benefits from being the original end of terrace so is noticeably wider at the front from similar houses on the street.

On entering the house at raised ground level you walk into a dual aspect living room with high ceilings, sash windows and original wooden floorboards.

Down stairs there is the large open plan kitchen and dining area with granite kitchen tops, bespoke fitted cupboard space and a separate laundry room.

On the first floor there is the principle bedroom with two sash windows and built in storage, on this floor there is also a large family bathroom with separate shower and bath. The second floor has three further bedrooms.

This property is well located, just off of King Edwards Road with Broadway Market around the corner, London Fields station over the road or you can jump on a bus down to Bethnal Green tube station. Best of all you are situated between both the very popular London Fields and Victoria Park.
