RESERVATION

To make a reservation, please contact the Selling Agents. A reservation fee of £1,000 is required to secure the property. Please make cheques payable to "Foster Building Contractors". Payment can also be made by BACS (account information can be obtained from the selling agents). All reservations are subject to a reservation agreement and purchasers must be in a position to exchange contracts within twelve weeks of this agreement. The reservation fee is deducted from the balance due on completion. If, after placing the reservation fee, the prospective buyer does not proceed with the purchase within the prescribed timescale, the developer reserves the right to re-offer the property and retain a fair proportion of the reservation fee towards any 'out of pocket' expenses. Upon making a reservation, the prospective purchaser will be required to provide proof of ID and proof of funds (including a mortgage agreement in principal where applicable). This information must be provided within 7 days of the reservation agreement. In addition, we strongly recommend that all prospective purchasers appoint a Solicitor or Professional Legal Advisor to carry out the legal formalities and represent their interests relating to the purchase. The name and contact details of such should also be provided to the selling agents within 7 days of the reservation agreement. If the necessary information above is not provided to the selling agents within the 7 day timeframe, the developer reserves the right to withdraw from the reservation and re-offer the property for sale. In all other respects, the developer reserves the right to withdraw from the reservation agreement at any stage, subject to a full refund of the reservation fee. In any event, any supplementary costs incurred by the purchaser associated with the proposed purchase are entirely at their own risk and will not be reimbursed by the developer under any circumstances. Please contact the selling agents to discuss any potential reservation proposal in detail.

SERVICES

We have not been able to test the equipment, services or installations in the property (including heating and hot water systems) and recommend that prospective purchasers arrange for a qualified person to check the relevant installations before entering into any commitment
