A WORD FROM THE OWNER...

'We've been in the area for a number of years and really love the diversity and great transport links. We've had an influx of really cool amenities open up over the last few years - lovely coffee shops like Kophi and Pinch la Deli, great choice of food from different cultures (Saffron Kitchen and ItalianSlice are must-tries) and even great gyms like BLOK and Evolve nearby. And can't forget Aldi across the road - life saver! Being so close to Hackney Marshes is also a massive plus if you love the outdoors. We'll miss the area loads!'
