IF YOU LIVED HERE...

You'll be living on a quiet peaceful road on the eastern side of the sought-after Walthamstow Village conservation area. Situated on a one way street, there's very little traffic. Just round the corner is Orford Road, the heart of the Village with a great choice of award-winning bars, restaurants and gastropubs. Further along is the peaceful greenery, community spaces and historic architecture that give the Village its name.

Inside, and the first thing that strikes you is the spacious kitchen/reception; at over 215 square feet it's a highly versatile space, decked out with hardwood flooring and neutral decor. The space is brightly lit thanks to the french doors which lead out onto your wonderful private garden. Back inside and your bathroom is a classic white tile affair and finally two double bedrooms. All this is set within a stunning unique period building that's been development into residential properties.

WHAT ELSE?

- Walthamstow Central is just a few minute's walk away - it'll get you to The City or The West End in just 20 minutes.
- Just across the road is a small park with basketball courts and outdoor ping pong tables.
- You'll be benefitting from high ceilings throughout, really enhancing the impressive sense of space.
