IF YOU LIVED HERE.....

You'll be revelling in your calming and inventively designed white and grey surroundings with beautifully restored white original floorboards underfoot and new windows and doors throughout the apartment. Your lounge comes in at over 110 square feet with period ceiling moulding overhead, a vintage hearth with exposed brick centrepiece and twin sash windows dressed in classic plantation shutters to the fore of pleasant, leafy views.

Through to the kitchen and you're welcomed by solid timber worktops, on-trend open shelving and access to your shared twenty three foot garden – a welcoming mix of patio area, lawn, a bench and thriving greenery. Back inside and you'll find another twin set of sash windows with plantation shutters in the serene 130 square foot master bedroom, while to the rear is bedroom number two – another generous double – similarly styled and blessed with a whitewashed brick hearth and garden view.

Outside, and one of our borough's true crown jewels, Lloyd Park is

just a few minutes walk, its open green spaces and landscaped gardens ideal for reaching your Fitbit goals. The park's home to cafes, courts and all manner of sports clubs. Fitness fans also have the Waltham Forest Feel Good Centre, with pools, sports hall, climbing wall, gym and health suite, just a half mile away on foot.

WHAT ELSE?

- You have twenty one primary/secondary schools within a one mile radius, all rated 'Good' or better by Ofsted.
- For your new local you have a choice between nearby stylish gastropub The Dog & Duck or friendly, traditional The Warrant Officer (the 158 bus will whisk you there in fifteen minutes).

A WORD FROM THE EXPERT.....

"I love living in Walthamstow – it's got such a great mix of things going on. Saturdays are my favourite, with the market in Lloyd Park full of fresh food, handmade bits, and plenty of friendly faces. The new Soho Theatre has brought amazing shows right to our doorstep, and if I fancy a pint, the Blackhorse Beer Mile breweries are perfect for a wander. When I need some fresh air, the Walthamstow Wetlands are just a short stroll away – all that greenery makes you completely forget you're in London. Plus, with brilliant transport links, it's so easy to hop on the Tube or Overground and be in Central London in no time at all."
