IF YOU LIVED HERE...

You'll be relaxing amongst some truly inventive Design & Decor – the rear bedroom has been turned to use as an open plan kitchen/diner, artfully segmented by a timber-topped breakfast bar/chef's island with sink, hob and chrome fittings. From here you can step out directly onto your ninety square foot, fully decked roof terrace – perfect for a morning coffee or evening glass of wine while looking out over the Village.

Elsewhere the front lounge is currently in use as your

master bedroom, 130 square feet with blonde engineered hardwood running underfoot, out into the lengthy hallway and into your bathroom with floor to ceiling sandstone tiling and dedicated shower cubicle. Finally, bedroom two is a generous double of seventy square feet.

Justly renowned, Walthamstow Village is a genuine oasis of calm in the heart of East London and home to a cornucopia of independent restaurants, bars and gastropubs. Fine wines, classic cocktails, craft beers, real ales, artisanal gins – there's something for every palate just around the corner. Not to mention a thriving Farmers market every Saturday – great for fresh produce.
