IF YOU LIVED HERE...

You'd love living in this light and bright property, with great natural light. With a logical layout, including a central hallway, and good room sizes, there's a great feeling of lateral space. The main bedroom and living room are located at front of the property, with west-facing windows that optimise the afternoon and evening sun, with a bright window, great for watching the world go by. The second bedroom, separate kitchen and bathroom are all at the rear of the apartment.

The décor is mainly muted grey decor, with plush carpets in the bedrooms. The kitchen and bathroom feature white tiling, and both have modern fixtures and fittings. the kitchen is galley-style, with wood veneered wall and floor cabinets and freestanding appliances, whilst the bathroom has a bath with a mixer shower, a washbasin and a WC. Overall, this is a convenient and contemporary apartment with double-glazing throughout.
