The property has been a happy family home for many years and here is what the owners have had to say:

We moved into our home back in 2014, looking for a place where our family could grow — and it's given us so much more than we ever hoped for. Now that our children are older, it feels like the right time to let another family enjoy everything this house has to offer. The space this house offers, both inside and out, has been a real highlight for us — the garden is perfect for kids, summer BBQs, and just relaxing in the sun and the large bedrooms and reception rooms gives everyone the space they need. The neighbourhood is quiet and friendly, and the great transport links have been a real bonus, especially as our kids got older and started going out and about on their own. Over the years, we've really enjoyed bringing some of the house's original charm back to life — like restoring the beautiful wooden floorboards — while also making it work for us as a family. One of the first jobs we did was to create a lovely open-plan kitchen and dining area, which has been ideal for cooking, a place for the whole family to gather and parties. We also insulated under the floorboards and replaced the old sash windows, so it's warm and cosy throughout the year. We've poured a lot of love into this place but we're excited to think of another family moving in, making it their own, and creating just as many happy memories here as we have.

The property is located approximately 0.6 miles from the main hub of Forest Hill which offers many cafés, restaurants and recreational facilities.
