Property Description

An excellent investment opportunity or centrally located first time purchase right in the city centre. The property is within close proximity to great amenities and Coventry University is just a few minutes walk from the house.

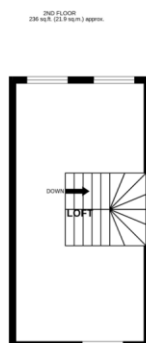

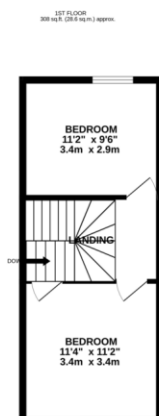

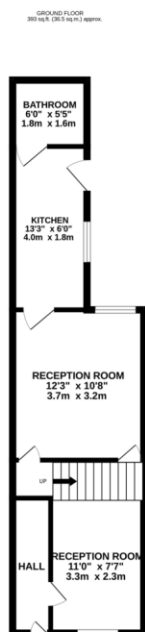

To begin an enclosed entrance porch gives access to an inner hallway with door leading off to a reception room at the front which could be a third / fourth bedroom if you are looking to rent it out. The ground floor also has a lovely size living room which in turn leads to the fitted kitchen and family bathroom.

The first floor has two large double bedrooms and there is a staircase leading up to the loft room. The loft room has previously been used as an occasional bedroom or study.

The gardens are all enclosed.

With no further chain we strongly recommend an early viewing.
