### ABOUT THE PROPERTY

With no chain, this unique end-terraced home in Henley is a non-standard construction property, offering a distinctive layout and generous outdoor space that sets it apart from conventional builds. Located in a quiet residential area, it benefits from off-road parking in a nearby car park, a charming front garden accessed via a wooden gate, and a spacious rear garden featuring both a patio and a green space-perfect for outdoor enjoyment.

Inside, the home opens into a bright and welcoming open-plan living and dining area. This leads into a spacious kitchen with a breakfast/dining area and a wide rear-facing window. The kitchen also includes a back door to the garden, a small internal store room, and a ground floor WC with disabled access for added convenience.

Upstairs, a generous landing connects to three well-sized bedrooms, each suitable for a double bed and featuring its own window. Two of the bedrooms offer built-in storage cupboards. A family bathroom completes the upper floor,

equipped with a bath/shower and a window for natural light and ventilation.

The property is currently tenanted, generating a rental income of £820 per calendar month. The existing tenancy agreement runs until 16th May 2026, offering immediate returns for investors. This non-standard construction home combines character, space, and practicality, making it a rare find in the Henley area.
