£995,000

This contemporary-styled four-bedroom semi-detached home is positioned in an idyllic and peaceful setting, bordering open countryside. Immaculately presented throughout, the property offers versatile and spacious accommodation ideally suited to modern family living. Whilst retaining the proportion, features and charm of the original 19th century building, this home has been extensively renovated, extended and remodelled to create a bright, airy, spacious home.

Yew Tree House is entered via an entrance hallway that opens into a beautifully designed open-plan living kitchen — the heart of the home — offering an ideal environment for entertaining or day-to-day family life, with clearly defined areas for lounging, cooking, and dining. The kitchen is fitted with integral Neff appliances, Franke sink and modern granite worktops. Additional ground floor accommodation includes a lounge/sitting room (with sliding doors connecting to the open-plan living kitchen), a flexible, sound-proofed home office or playroom, a utility room, and a downstairs WC. The ground floor is warmed by underfloor heating throughout.

Upstairs, the bright and spacious first-floor landing leads to a luxurious principal bedroom suite complete with stylish en-suite bathroom (with freestanding bath, separate shower enclosure, arched window & marble tiles) and dressing area with fitted wardrobes. Three further double bedrooms (one with en-suite shower room) and a well-appointed family bathroom complete the accommodation. All the bathrooms are based on collections by the Italian company Tissino, adding a touch of refined European design to the home's high-quality finishes.
