Campden Hill Road, Kensington

£799,000

This beautifully presented and modern apartment is set on the ground floor of a secure portered block and benefits from its own direct entrance. The property comprises an open-plan reception & kitchen, bedroom area, modern bathroom. Ample storage space throughout. Renovated to an extremely high standard.

Kensington Heights is a very desirable purpose-built block located at the top of Campden Hill Road, within the prime district of Kensington, close to both Holland Park and Hyde Park. The building is exceptionally well managed and maintained, having 24-hour concierge/porter services. Notting Hill Gate (Central, District & Circle lines) and High Street Kensington (District & Circle lines) are both within a short walk.

Chain free
