Substantial 5 Bedroom detached property with guest suite.

Beautiful, mature wrap around garden with side kitchen garden.

Secluded location with parking for multiple vehicles, large garage and car port.

We are excited to market this substantial, five bedroom detached family home. This beautiful property enjoys a secluded, semi-rural location but is just a short walk from the village centre. This home offers flexible and spacious living accommodation. The ground floor has a guest Bedroom, Bathroom and reception room that has, in the past, been utilised as a separate Annex.

The property is approached by a sweeping driveway that provides parking for multiple cars. There is a large Garage as well as a Car Port. As you enter the home you will find the main living areas on the right hand side. The Kitchen is light and bright, as are most of the rooms as many have double aspect windows. There is a good selection of cupboards and work top space. The formal Dining room is conveniently located in the next room and this opens onto the spacious and well-proportioned sitting room. There is an attractive feature fireplace as the central focus point of the room. The addition of a large sunny Conservatory provides further dining and seating space and enjoys views of the North Downs.

At the rear of the property is a useful Utility room and Garden room that leads out to the stunning south facing rear garden. The current owners are keen gardeners and have tended and planted over the years and created a tranquil and secluded outside space. There is a large patio area which is ideal for entertaining and outside dining and there is also a charming covered seating area. To the side of the property is an established kitchen garden which is ideal for anyone looking to grow their own fruit and vegetables.

To complete the downstairs living accommodation is a Guest Bedroom, a well-fitted Bathroom as well as an additional reception room that the current owners have utilised as an Office.

Upstairs you will find the generous Master Bedroom that also enjoys views over the Downs. There is built-in storage as well as a spacious en suite Bathroom. There are three further double Bedrooms as well as a family Shower room.

In our opinion this is a wonderful opportunity to secure a well-looked after and loved family home that has the potential for some updating to make this the perfect forever home.

The popular and historic village of Wrotham has two public houses as well as a charming hotel and restaurant. There is a beautiful church in the centre of the village that is recorded in the Domesday book and is steeped in local history. There is a large recreation ground, a primary school, secondary school and a local shop for your everyday needs.
