garage.

the popular hamlet of
Crouch.

This stunning Mid Century modern, single storey family home will appeal to anyone looking for a truly unique and individual home. This elegant architect designed house was built in 1970 and the current owners have embraced the essence of the property with interior design sympathetic to the era. The property is located on a generous plot in the sought-after hamlet of Crouch near St Mary's Platt. The larger village of Borough Green, with its selection of shops and facilities as well as main line station with regular services to London Bridge, Charing Cross and Victoria is just a short drive away.

As soon as you step into the property your eye will be drawn to the unique features, high ceilings and American Red Cedar wood panelling that contrasts so beautifully with the white washed exposed brick work which continues throughout the home. Immediately to your right you will find the well-proportioned and spacious Living room. Every room in this home has large, often floor to ceiling, windows which allow for plenty of natural light as well as stunning views. A log burner set in a brick fireplace provides a central focal point to the room. A large Conservatory opens out to the established and mature garden.

The Kitchen is located in the middle of the property and has charming features as well as practical units and work top space. A Utility room provides additional storage space and has a door leading out to the front of the property. The Dining room is conveniently located opposite the Kitchen and has bi-fold doors leading directly out to the patio area and has the most wonderful views over neighbouring farmland.

Three of the Bedrooms are located at the end of a long Hallway. The current owners use Bedroom two as the Master Bedroom as the view is exceptional. Fitted wardrobes provide storage and style. The second Bedroom is a large double room with more built-in storage. The fourth Bedroom is a single room. The third Bedroom is located in the central part of the home and has its own connected dressing room/sitting room which is ideal for teenagers or guests.

The family Bathroom has a large modern shower cubicle and sleek fixtures. There is an additional Shower room off the main entrance Hall as well as a Study which is ideal for anyone looking to work from home.

This substantial home is in a tucked away position. There is currently parking for approx. 3 cars on the driveway. There is also a double garage as well as a single garage.

Viewing is highly recommended to fully appreciate this well-loved and well-maintained property.
