

Charleston

C O V E

A collection of 2, 3, 4 and 5 bedroom homes
set within the thriving new coastal neighbourhood of Cove.

A wonderful place to call home

Sea breezes, fresh sea air, a welcoming community feel, space and light. These are the words that describe Charleston.

A neighbourhood to the south of the city, Charleston blends the best of traditional design with a clean fresh contemporary feel. White exteriors, light grey brick, warm wood all combine with open green space, highlighting the fishing heritage of the past.

Neighbours, friends and community are at the heart of Cove and the new shops and cafes within the neighbourhood offer more opportunities to get to know your neighbours.

Getting around is easy with thoughtfully designed paths and walkways leading to the stunning north east coast, schools and shops.

Nothing beats coming home to Charleston

Once a sleepy fishing village, now a thriving suburb to the south of Aberdeen, Cove offers both beautiful coastal scenery and village lifestyle, yet is within minutes of the city centre of Aberdeen, the perfect spot for those seeking the best of both worlds.

At Stewart Milne Homes, we never forget that a home isn't just where you live, it's how you live. And that moving to a new home is a fresh, exciting start – and often one of life's most exciting moments.

That's why this brochure includes not only the details you'd expect – sizes, specifications and styles – but also shows something of the life you'll live at Charleston. After all, this isn't a sales brochure.

This is your new home.

Your new neighbourhood

Surrounded by the beautiful scenery of the north east coastline, and situated just to the west of the picturesque old fishing village of Cove – this is a wonderful place to call home.

Charleston is nestled to the east of Wellington Road, and just to the west of the town of Cove. There is easy access to the A90, and new AWPR linking you to the North and South. Life at Charleston is suited to both those in search of an excellent commuter suburb, with plenty of modern amenities on the doorstep, as well as those in search of tranquillity. This old coastal town can offer plenty of rural and coastal walks which link up directly with the neighbourhood.

Residents benefit from a Sainsbury's on the corner, a coffee shop, gift store and hair salon, creating a high street within 3 minutes walk of home.

The beauty of Cove is that whilst you can be in Aberdeen city centre within minutes, or standing in your garden, breathing in the sea air, you really feel as though you are miles away from the

hustle and bustle of the city. The town of Cove is far from lacking in terms of its own amenities, with the Cove shopping centre offering a supermarket, pharmacist, takeaway restaurants, as well as the Cove Bay Hotel, which is a popular haunt with locals.

The town also offers a health centre, and dental surgery, and is well served by local schools. Cove has two local nurseries, a primary school and a brand new £47 million state-of-the-art secondary school, including a dance studio, fitness suite, games hall, six lane 25 metre swimming pool, environmental gardens, grass and 3G pitches.

Community spirit is everywhere in Cove, be it supporting one of the two football teams belonging to Cove on a weekend, or attending one of the many community run events, such as the Christmas parade, or the summer gala, you'll

be welcomed into an established and friendly community.

For those working in the popular industrial estates at Altens and Tullos, Charleston is just a 5 minute car journey from both. The city centre can be reached in 10-15 minutes by car or by public transport. The area is served by 3 different bus routes, all linking with the city centre.

Nearby locations include:

Altens	1 miles
Aberdeen City	3 miles
Aberdeen Airport	11 miles
Stonehaven	13 miles
Dundee	66 miles
Edinburgh	146 miles

OUR QUALITY

At Stewart Milne Homes, we pride ourselves on building innovative and high quality homes. Each home is quality checked at various stages of it's build and inspected by the National House Building Council (NHBC).

We use quality materials, and apply superior craftsmanship and build to exacting standards, creating homes that are long-lasting.

All our homes come with a 10 year warranty, giving you peace of mind.

Step inside

As soon as you step inside a Stewart Milne home, you'll see and feel the difference.

This is no ordinary home – this is something special. A home where clever design achieves the perfect balance between elegance and practicality. Where every fitting and appliance is of the highest quality. Where the renowned Stewart Milne Homes' attention to detail ensures a superb level of finish.

Start at the heart...

The kitchen is the heart of any home, and it's likely this is where you'll head first as you explore. For most families it's the busiest, hardest-working room in the house, so we've designed each of our kitchens to be particularly spacious. We've also taken care to locate the kitchen in the optimum position, given the likely flow through the household. Practical connections to a dining or family room, a utility space or the garden or French doors make the kitchen more stylish and welcoming than ever. Naturally details vary depending on the house style, but the common factor is that we've thought about how you'll use the kitchen most, and designed it to work perfectly.

While you're exploring the kitchen, take a moment to check the fittings and premium appliances, the soft closing drawers, chrome door hinges, USB sockets – all the little things that make a house a great home.

Depending on the location and style of your home, the specification will vary, but typically you'll find beautifully-designed stainless steel hobs, cooker hoods, multi-function ovens, microwaves/grills, integrated fridge freezers and dishwashers. Breakfast bars also feature in many homes.

We understand your home needs to be functional as well as comfortable so in many homes, to maximise space, we have created a practical Laundry Zone.

Just open two bi-fold doors and you'll find the space, plumbing and wiring for a washing machine, dryer and all your laundry supplies from ironing board to washing powder.

Larger homes have a separate utility room with space and plumbing for your washing machine and tumble dryer as well as plenty of storage.

Once you have reserved your new Stewart Milne home you then have the opportunity to personalise it with a wide range of choices, including; kitchen unit finishes, worktops, handles, bathroom vanity unit finishes and Porecelanosa tiles.

Getting comfortable...

Next stop on your tour; the main living room. For welcoming friends and entertaining or for relaxing at the end of a long day, this is a space to really enjoy. We've designed ours to make the very most of what sunlight we get in Britain, with large feature windows and, in many homes, French doors opening onto a patio for a lovely inside-outside living space. In most of our homes, for a little extra cost, you can choose to have a fireplace fitted – there's a range of styles to choose from if you'd like to create a traditional focal point in the room.

Different people, different lifestyles - that's why we build homes either with a separate dining room – if you entertain regularly, a formal dining room may be essential – or we combine the dining area into a large open kitchen dining space that's great for family and friends alike.

Moving on upstairs...

Now you'll probably climb the stairs to sanctuary. That's how many people think of the bedroom – and as you spend about a third of your life in it, it has to be just right. Our current range of homes at Charleston have two, three or four bedrooms, ranging from palatial master suites to cosy single rooms.

Every master and guest bedroom has either a luxury walk-in wardrobe or built-in wardrobes with sliding doors and shelving. Television points are conveniently positioned in all bedrooms and telephone points in the master bedrooms.

Today the bathroom is as much a place to enjoy as a functional necessity, so we build bathrooms and en-suites with indulgence and pampering in mind including larger showers, rain showers

and chrome heated towel rails in our larger homes. We provide a superb choice of co-ordinated Porcelanosa tiling and, in many houses, fitted vanity furniture for the family bathroom and master en-suite. Some of our homes within the Charleston range have an additional en-suite bath or shower room to the guest bedroom – again available with a choice of tiling. Naturally bathroom suites, shower cabinets and bathroom hardware are all high-specification examples from respected manufacturers. As you make your way through a Stewart Milne home, you'll appreciate the high quality of fittings and finishing. Internal walls and ceilings are painted with at least two coats of paint, and internal woodwork with three. Elegant white panelled doors are fitted with attractive chrome lever handles, chrome hinges

and latches. Our homes are wired for the modern world, with an abundance of socket outlets, telephone and TV points, while smoke and heat detectors are naturally wired-in to the mains.

Warm and snug...

Did you know that, compared to a second hand home, a new home is, on average, six times as energy efficient? Due to the immensely improved insulation specification in new homes, you will be amazed to see the savings you can make while ensuring your home is appropriately warm and cosy. At the heart of the central heating system there's a modern, highly-efficient and environmentally responsible gas boiler, while thermostatic radiators give you independent control for each room.

Out and about...

Depending on the home you're visiting, there'll be more to explore outside – such as a high specification garage with steel doors and built in power-sockets, turfed and landscaped front gardens. Whatever the location and the specifications, you'll find the exterior space as attractive and as welcoming as the inside of the home – although naturally a new garden needs a little time to develop and look its best. As you complete your viewing – and listen to the reassuringly solid sound of the door closing behind you – you'll leave with an idea of just how good it could feel to call a Stewart Milne home your own. If there is anything you'd like to know about a specific development, house-style or plot, then please get in touch – we're here to help.

The finishing touches...

When you buy a new home you're buying a blank canvas. You can make it look and feel exactly how you want it to, with minimal fuss. Once you have reserved your new Stewart Milne home you then have the opportunity to personalise it with a wide range of choices, including; kitchen unit finishes, worktops, bathroom vanity unit finishes, handles and tiles. Just ask for details.

You'll find a host of great features in your new home, most are included as standard with some additional options you may like to select. The table below shows all the features available in each home. Just ask us if you have any questions.

“I would absolutely recommend Stewart Milne Homes because, given our age, a lot of our friends are in the market for first-time buyer properties. It can be really difficult to buy a house, but Stewart Milne’s first-time buyers’ package made it so easy. That’s why I would recommend.” – Jacqueline Reid, Silver Birches, Alford

“The very first thing that attracted me to Countesswells was the layout; there are plenty of trees and green areas so it felt quite spacious and the mixture of styles of houses, together with the way the streets look, made me feel it would be a lovely place to have a home. I’d definitely recommend Stewart Milne Homes because I’m pleased with the home I’ve got and the price I paid for it. Everything went smoothly and the builders have been helpful since I’ve moved in.”

Charleston, Cove

SPOILT FOR CHOICE

When you reserve your home early, you can choose many of the fixtures and fittings that will be included in your new home from kitchen doors and handles to worktops and tiling.

ENJOY PEACE OF MIND

Buying a new home eliminates the need to do renovations, repairs or DIY, meaning you can spend more time with family and friends, doing all the things you really enjoy. All our homes come with a 10 year NHBC warranty providing you with peace of mind which those buying a second hand property simply do not have.

LESS CHAIN MEANS LESS DELAY

You can move into your new home as soon as it is complete, there is no need to wait for existing residents to vacate. This reduces the chain, stress and uncertainty associated with buying a second hand property.

DESIGNED TO SUIT MODERN LIFESTYLES

Our homes are built to make use of every inch of space. Research shows 17% of living space in older style properties often goes unused. Our homes provide flexible living space whatever your needs.

STAY SAFE AND SOUND

Our homes are designed to adhere to high building standards. These standards relate to every aspect of a building's construction including its structure, ventilation, sound insulation, electrical and fire safety, so you can enjoy living in a safe and secure environment. Your new home is also energy efficient, saving you money on heating bills.

BRAND NEW MEANS A FRESH, NEUTRAL CANVAS

Everything in a new home is clean and untouched by previous owners – it's like buying a brand new car and driving it out of the showroom. Our homes are decorated in 'neutral' colours giving you a neutral canvas to stamp your own style and personality on from day one. There is no DIY to do, no re-decorating of another person's taste, just a perfect new home.

BE PART OF A NEW COMMUNITY

Moving to a brand new home is an opportunity to make new friends and be part of a new and exciting community.

Our neighbourhoods are designed and built with people in mind and with everybody starting from scratch, getting to know your neighbours is easy.
