Foyle Road, SE3

This delightful home has been in one family ownership for more than 20 years. It has been extended into the large loft space to create a fourth double bedroom and third WC but retains potential for further extension by way of a dormer and on the ground floor backwards into the garden subject to the usual consents.

The ground floor accommodation is offered privacy behind a deep front garden and includes a beautiful front reception room with bay window. To the rear, the second reception and galley style kitchen interconnect to the conservatory running across the rear and is an ideal space for extension to enlarge the kitchen out to the full width of the plot as per both adjacent homes.

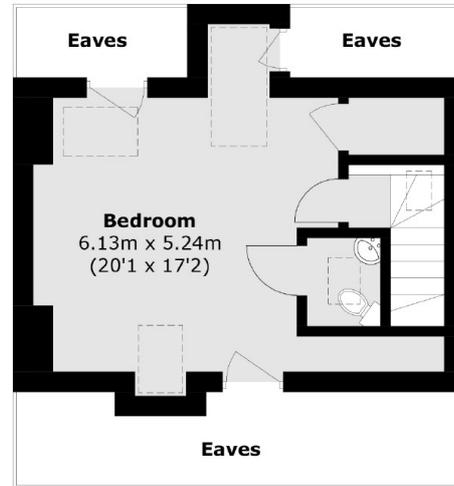

Doors from here lead out to a large, lawned, west-facing garden, with some mature shrubs and an unusually open aspect thanks to there being only low rise buildings behind. Consequently, both the garden and the rear of the house receive excellent summer and winter sunshine. Upstairs the three double bedrooms and a large single are served by a family bathroom and separate WC.
