

Manor Park, SE13

A well presented Victorian conversion flat set within the very sought after Lee Conservation Area. Complimented with its elegant period features and charm including a decorative fireplace in the large reception. This apartment has two bedrooms and an additional study. Further benefits include oak wood flooring throughout, off street parking and access to a large communal garden.

This flat enjoys a tranquil residential setting while being just moments away from local amenities and green spaces of Manor House Gardens. Within close proximity of excellent transport links, this property provides the perfect balance of convenience and serenity.
