SUSTAINABLE

by Design

CORE Parks are designed to minimise the impact on the environment and contribute to building sustainable communities in locations we invest.

CORE Sheffield Sustainability and Wellness features

Net Zero Carbon development

BREEAM 'Excellent'
Shell and Core accreditation
and EPC 'A' ratings

Our strategic partnership with Altus Power will enable clean electrification as a ready-to-go solution for customers at CORE Sheffield.

Additional PV installation, through our funding partner, can provide up to **2MWp** of renewable energy to **offset operational carbon** at reduced cost to standard network supplies.

100% PV ready roof structure; with base build PV installation

Design and material selections underpinned by Carbon Footprint analysis

95% re-use or recycling of site-won materials

15% rooflights and facade windows to warehouse loading areas

Fully controlled, ultra-efficient LED lighting internally and externally

Waste segregation and recycling facilities

Sustainable discharging of rainwater to the canal. Water conservation appliances

Cycle, scooter, motorbike shelters and shower/changing facilities

Multi-modal EV charging (5% active; 5% passive)

Energy and fuel monitoring and management systems

Gains in site-wide biodiversity and ecology

Landscaped amenity and wellbeing areas

Enhanced building envelope thermal performance

Direct access to adjacent canal and tram amenities

STRATEGIC

by Design

CORE Sheffield is strategically located just 0.5 miles from the M1 J34, providing fast access to the national motorway network including Leeds to the north, Nottingham to the south and the ports of Immingham and Liverpool.

Trammell Crow Company

The #1 developer in the USA has landed in Europe.

Trammell Crow Company is the largest commercial real estate developer in the United States. The company has developed or acquired 2,900 buildings valued at nearly \$75 billion and over 625 million square feet. As of June 30, 2023, TCC had \$17.1 billion of projects in process and \$13.4 billion in its pipeline. It employs 650 professionals throughout the United States and Europe.

TCC is a wholly-owned but independently operated subsidiary of CBRE Group, Inc. (NYSE: CBG), a publicly traded Fortune 500 and S&P 500 company.

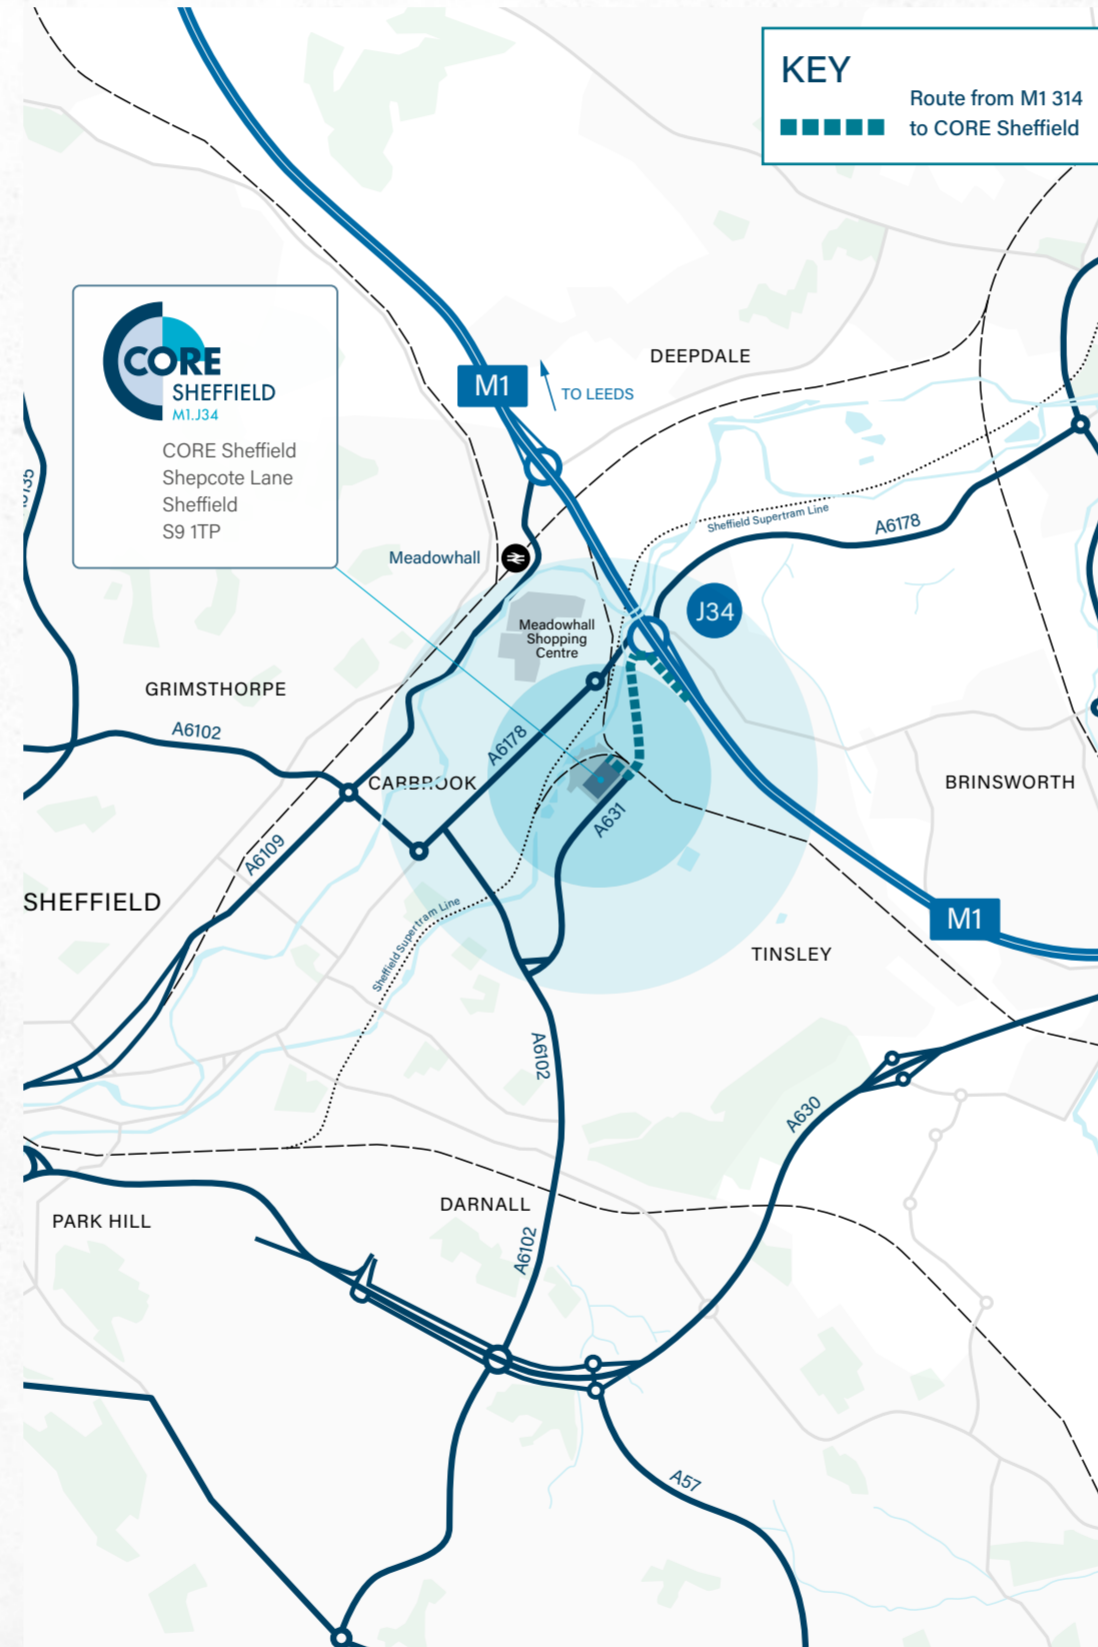

TCC European Logistics

Fully funded and backed by Trammell Crow Company US, the European Logistics team was established in 2021. The company now operates in nine European countries including the UK. Each Country Head has more than 20 years logistics experience in their respective country. Within the last 30 years, the team has developed over 80m square feet of industrial and logistics space across 12 European countries.
