Bellway

A reputation you can rely on

When it comes to buying your new home it is reassuring to know that you are dealing with one of the most successful companies in the country, with a reputation built on designing and creating fine houses and apartments nationwide backed up with one of the industry's best after-care services.

In 1946 John and Russell Bell, newly demobbed, joined their father John T. Bell in a small family owned housebuilding business in Newcastle upon Tyne. From the very beginning John T. Bell & Sons, as the new company was called, were determined to break the mould. In the early 1950s Kenneth Bell joined his brothers in the company and new approaches to design layout and finishes were developed. In 1963 John T. Bell & Sons became part of the public corporate scene and the name Bellway evolved.

Over 60 years of great homes and great service

Today Bellway is one of Britain's largest house building companies and is continuing to grow throughout the country. Since its formation, Bellway has built and sold over 100,000 homes catering for first time buyers to more seasoned home buyers and their families. The Group's rapid growth has turned Bellway into a multi-million pound company, employing over 2,000 people directly and many more sub-contractors. From its original base in Newcastle upon Tyne the Group has expanded in to all regions of the country and is now poised for further growth.

Our homes are designed, built and marketed by local teams operating from regional offices managed and staffed by local people. This allows the company to stay close to its customers and take key decisions about design, build, materials, planning and marketing in response to local and not national demands. A simple point, but one which we believe distinguishes Bellway.

An historic location for vibrant modern living

Come home to a vibrant, emerging community of modern, energy-efficient new homes just 3 miles from the centre of Bedford and closer still to Cardington; an area that will forever have a place in the history books recounting the adventure and glamour of early flight.

Now the area is taking off again thanks to New Cardington with its choice of one, two, three, four and five bedroom houses and two bedroom apartments. Where tree-lined avenues and open spaces, footpaths and cycleways all lead to a more relaxed way of living, and a village square with children's play areas and the impressive Shorts Building provide a natural focus.

For families with children, Cotton End Primary School is in close proximity and caters for pupils up to age 11, while for older children the Bedford Academy is less than five minutes away by car, and a number of independent schools are close by.

The New Cardington Tesco Express, located on site, covers the everyday essentials, and, of course you will find a range of excellent shopping facilities in Bedford. The Harpur Centre is home to a number of high street favourites, while the historic Castle Quarter is packed full of independent stores. The town also plays host to a number of fabulous markets selling everything from gourmet food to arts and crafts.

Arts fans can visit the Bedford Corn Exchange to experience a varied programme of live events including theatre, comedy and music, while the Aspects Leisure Park offers a multi-screen cinema and Megabowl. Outdoors, the Cardington slalom courses offer adrenalin junkies the chance to try whitewater canoeing, while the Priory Country Park provides 200 acres of countryside and lakes just waiting to be explored.

New Cardington is exceptionally well connected making it ideal for commuters, with journey times of just under 40 minutes to London St Pancras from Bedford station. The M1 is under 15 minutes from home via the A421, and Milton Keynes around 30 minutes. For journeys further afield London Luton airport is just over 20 miles away.

Customer Care

Our dedicated Customer Care department will ensure your move to a new Bellway home is as smooth as possible

For over sixty years the name Bellway has been synonymous with quality craftsmanship and quality homes; we are justifiably proud of this reputation and work hard to provide you with a home that meets with your dreams.

From the day a customer visits our sales centre to the move-in day we aim to provide a level of service and after-sales care that is second to none.

In recognising the close involvement our customers seek in purchasing their new homes we deliberately gear our sales hand-over process to involve our customers at every possible opportunity. Firstly all our homes are quality checked by our site managers and sales advisors. Customers are then invited to pre-occupation visits; this provides a valuable opportunity for homeowners to understand the various running aspects of their new home. On the move-in day our site and sales personnel will be there to ensure that the move-in is achieved as smoothly as possible.

Providing customer care and building quality homes is good business sense. However, we are aware that errors do occur and it has always been our intention to minimise inconvenience and resolve any outstanding issues at the earliest opportunity. In managing this process we have after sales teams and a Customer Care centre that is specifically tasked to respond to all customer complaints.

We have a 24 hour emergency helpline and provide a comprehensive information pack that details the working aspects of a new home; a 10 year NHBC warranty provides further peace of mind.

We are confident that our approach to building and selling new homes coupled with our Customer Care programme will provide you with many years of enjoyment in your new home.
