Property Description

Sitting proudly on one of Ashton On Ribble's finest roads, is this four bedroom Victorian home. It's bursting with charming features and there is space at every turn making it ideal for the modern family. Park the car on driveway and head in.

You are greeted by this sense of history, that gets you excited to see more. Walk through the entrance hall with its original tiled flooring, you can't help but be charmed by the pretty coving, period doors and gorgeous fireplaces throughout the house.

The first room you come to, is the large living room at the front of the house. It is flooded with light from the large window.

There is an original fireplace and plenty of space for the room to be a TV room, a study or a playroom. There are also two further reception rooms. The versatility of each room is one of the great features about the property.

The kitchen is the heart of the home, with a breakfast dining room leading from it, this could be opened up into a fabulous open plan kitchen/dining room, which is perfect for the whole family to be together.

The current owners have also extended the ground floor to add that all important utility and downstairs WC. Head upstairs to the four bedrooms, and four piece family bathroom. The basement and the double garage mean all of the junk can be hidden from sight but be available when you need that pot of paint or spanner to repair a bike. This home is ready for someone to come in and make their own.
