### Financial Services

---

Who are Roberts & Co?

There is not just one reason why you should sell with Roberts & Co, we like to think there's many more.

Our dedicated branch teams...

Roberts & Co are proud to boast about our dedicated branch teams, with local expert knowledge of Preston and surrounding areas.

Our branch staff all live within a short radius of our branches and live and work in their 'patch'. They know commute times, the best restaurants, schools etc. Our experienced team will guide you through the process from start to finish.

### Testimonial 1

I would just like to take this opportunity to thank all the staff at the Lostock Hall branch for all the hard work you have done to make my sale as stress free as it possibly could have been. I would like to give a special mention to Sharon, as she has been absolutely brilliant the last couple of months with my sale with the constant communication and updates we have received from her, regardless of the hour in the day.

### Testimonial 2

We've now been in our lovely home for a whole two years and so this is slightly overdue! Roberts and Co were wonderful during the entire process of our sale and purchase; we cannot recommend them highly enough. Emma, Will and their whole team showed absolute professionalism, going over and above to ensure that we were kept informed every step of the way. Buying and selling houses is obviously a very intense process, but Roberts and Co looked after us.

### Testimonial 3

The service we have had from Roberts was far superior to any experiences I've had with your competitors. We have been kept in the loop with every viewing and have been given every bit of feedback from the viewing. Speaking of the viewings, you provided us with 5 viewings in a week where the other estate agent advertising the house had given me just the 1 viewing (and provided me no feedback afterwards).

### Testimonial 4

We have been under the care of Roberts & Co for a few years now as letting agents and more recently for the sale of a property. It's difficult to articulate correctly the level of service, support and professionalism that they provide which is second to none. Using a simple rule of thumb I can't recall ever having to contact them to chase a position or query as they always get there first and their balance between professional and friendly is perfect.
