Carruthers and Luck estate agents are delighted to bring to the market a beautifully presented ground floor 2 bedroom flat situated in a very popular block that is ideally situated for local shops, café's, the primary school and buses, which provide easy and frequent access to Brighton City Centre. The flat is very modern and has a good outlook over the communal gardens and also has the benefit of a sun balcony.

Another advantage to being a ground floor flat is its own private entrance. This leads to an impressive 29' hallway with various cupboards. The lounge is a good size and has a wide window and door leading out to an East facing sun balcony that overlooks the gardens. The Kitchen has been fitted with a modern light grey 'Shaker' style kitchen with a wide range of base cupboards and drawers and matching wall cupboards. The Kitchen also has integrated appliances to include a built in oven, hob, tall fridge/freezer and dishwasher. The worktops are solid natural wood and match the finish of the floor.

The flat offers 2 very good size double bedrooms which both overlook the communal gardens. The original bathroom and separate WC has now been knocked into one making a very generous modern shower room with additional space (and plumbing) for a bath should one be required. There is a double shower cubicle, wash hand basin and low level WC and the room is finished with attractive tiling to the walls and floor.

An allocated parking space (19) is very well situated being just outside the flat making access to the car easy. The flat comes with a share of the freehold and the balance of a 999 year lease. An internal viewing is highly recommended to appreciate the size and condition of the property.
