**The Salterns at West Bay**

Just a short walk from the historic harbour town of Yarmouth, is a small development, currently under construction, of exclusive three and four-bedroom private homes which have been designed with great care to help you create a lifestyle that supports your personal wellbeing.

[thesalternsyarmouth.com](http://thesalternsyarmouth.com)

With a mixture of detached and semi-detached properties, all accessed via private roadways, gated access, landscaped private gardens, access to residents' communal areas, and car parking for two or more vehicles.

The Salterns brings together a team of experts with extensive experience and expertise, from planning and design to project management, health & wellbeing. This broad range of skills and knowledge means that we have been able to make decisions and selections, which result in wonderful homes.

Designed by the award-winning architectural design house Modh Design, the team has immersed itself in the creative process over several years, exploring and perfecting many ideas and ultimately delivering something very special...an absolute first for the Isle of Wight.

The perfect main residence or second home, including generous bathrooms, gorgeous fitted kitchens, open-planned natural light-filled dining areas, and spacious adjoining living rooms, under-floor heating and a cosy log burner. We've carefully thought about the practicalities and have incorporated a series of design choices so home-owners who come on board early have the option to choose from a section of finishes.

Set within the gated grounds of West Bay, living within the first phase of The Salterns will offer residents security and peace of mind within an inclusive community of likeminded neighbours. Providing you with the ultimate in luxury, relaxation and leisure all situated in an area of outstanding natural beauty surrounded by rolling fields, just minutes from the historic market and harbour town of Yarmouth with its ferry connections to the mainland.

Each home has been carefully designed with quality and wellbeing at the forefront of our mind. From the generous amount of natural daylight flooding the heart of each home, high ceilings and sociable, open-planned living areas, to the thoughtful low-level windows allowing you unobstructed views of your garden whilst you sit back and relax with a book in your favourite cosy armchair, the greatest sense of wellbeing for residents has been at the centre of all design decisions. The Salterns has everything you need to live

well and boasts green credentials such as energy efficient windows and doors, high efficiency boilers, increased insulation, and energy efficient A rated electrical appliances.

The Easthide is available as either a gorgeous detached or semi-detached home. There are three double bedrooms, each with space for built-in wardrobes, with the master bedroom featuring an en-suite shower room and Juliet balcony overlooking the rear garden.

The Easthide is perfect for open-plan living with its generous kitchen-diner leading-through to the living room. There is also a handy laundry & utility room and convenient integrated storage for sailing equipment and bikes.

The Easthide has been thoughtfully designed to offer you the flexibility at a later date of converting the attic into additional useful space, subject to obtaining the necessary planning consents. Plot 16 has the additional benefit of having already been converted.

The Easthide is located on plots 15, 16, 19 & 21
