Dene House, Leek Road, Bosley,

This stunning detached family home is situated upon an extensive plot of approximately 1.1 acres, which includes an adjoining paddock, an extensive hardstanding area and a large 2000sq.ft warehouse/workshop with an office, small kitchen area/WC and a large mezzanine level within. The attractive redbrick detached family residence is located in the ever popular village of Bosley, being ideally located for access to Macclesfield, Congleton, Leek and Buxton. The sale of Dene House offers an unrivalled opportunity to acquire a dwelling house with an adjoining warehouse facility (RV - £7300) - enabling the incoming purchaser to potentially run their business from home and avoid the expense of hefty rents and travel time (buyers should check with Cheshire East that the nature of the business they intend to run complies with planning regulations). It could also suit those with hobbies and interests, which require extensive workshop/storage/garaging facilities, or it could even just be used as a combined space for the ultimate man cave with enough space for a gym, home office, home bar etc. (subject to any official approvals). The residential property, which is warmed by a bio-mass split system, offers spacious and well-presented accommodation throughout, including a re-fitted breakfast kitchen with adjoining snug and a large 21ft garden room. Added to this, there are two further reception rooms, a useful utility and a ground floor shower room/WC. To the first floor are three double bedrooms and a re-fitted family bathroom. Externally, the property benefits from extensive lawned gardens to the front and side and a large patio area. There is also an adjoining paddock (approximately 0.6acres), with stables and water supply, within which the current owner keeps two very friendly goats! The warehouse/workshop unit provides around 2000sqft of overall space with a further 500sqft mezzanine level over. There is also a very large yard area, which is accessed via electronically operated double gates, and offers masses of off road parking and turning space for a 40ft lorry. There is access to the rear of the property onto Bosley Reservoir; around which there is a lovely circular walking route being ideal for dog walks etc. Altogether, this is a truly unique opportunity to acquire such a diverse mix of residential/commercial property and land.

Entrance Hallway

Oak door, column radiator, large under stairs storage cupboard.

Living Room 13' 2" x 10' 11" (4.01m x 3.34m)
