## 22 Badger Road, Tytherington

The sale of 22 Badger Road represents a very rare opportunity to purchase such a spacious and skillfully extended property with the added benefit of a large, private rear garden. To the front is a further deep garden and a long driveway, which provides ample parking space for several cars and leads to a larger than average garage. The property is situated on a mature and highly sought-after road, within striking distance of the local shopping facilities and close to several popular schools. The spacious accommodation, which has been significantly enhanced by a full-width single-storey extension and a two-storey extension to the side, briefly comprises; entrance hallway with cloaks cupboard, huge open plan living room/garden room opening through to the large dining room, study/playroom and a very generously proportioned dining kitchen with re-fitted units and integral appliances. There is also a utility room and a ground floor WC. At first floor level, a light and airy galleried landing provides access into the five well-proportioned bedrooms and into the pristine, re-fitted family bathroom. The large, principal bedroom benefits from a dressing area, fitted wardrobes and a modern en-suite shower room. As previously mentioned, there is a 21ft integral garage, which is access from the utility. There is also a handy, attached brick-built garden store located to the side of the property. The substantial rear garden adjoins the playing fields of Tytherington secondary school and is, therefore, not overlooked by neighbouring properties to the rear. Given the extensive and very-well presented accommodation on offer, the splendid plot and the prime location, we anticipate a great deal of interest in this stunning family home and a prompt viewing is, therefore, highly recommended.
