**THE PROPERTY** - Discerning buyers will be very pleased with the presentation and condition of this lovely home. Our vendors have improved many aspects during their ownership and now arguably this is one of the nicest properties in the road. Two of the bedrooms are doubles and there is also a single that's currently used as an office. The kitchen is super and with far reaching views from the large windows that also flood the room with natural light. An almost square sitting room now has the benefit of access to the kitchen with our vendors having fitted some very nice industrial design sliding doors. Four off-road parking places, garage and lovely gardens....plus a large attic room, internal viewing is highly recommended!

**THE LOCATION** - Cunningham Park Lies on the outskirts of Mabe village, with Number 57 enjoying an enviable situation within the close. Mabe is a popular village conveniently located two miles from Penryn and three miles from Falmouth harbour town and seaside. The village has an active community and good everyday amenities including an excellent primary school, village store, sub post office, church and pub. ASDA superstore is nearby and a bus service runs regularly to and from local towns. Falmouth's university for Cornwall (linked with the highly regarded Exeter University) is a mile away and Penryn College with its excellent facilities is equally convenient. Train branch lines in Penryn provide access to Falmouth and also on to the Cathedral City of Truro where it links with the national rail network.
