THE LOCATION

Port Pendennis is an inspired luxury development built during the late 1980's and early 1990's in an enviable situation on Falmouth's waterfront. The harbourside position is exciting and remarkably involving, next to the Maritime museum, Events Square and town with so much of what Falmouth has to offer on one's doorstep. Featuring a gated environment which benefits from allocated parking, visitor parking, private roads and communal garden areas. The walkways around the inner marina are beautiful with access to boating and a peaceful setting. The development comprises a wide variety of homes ranging from apartments to cottages and three storey executive houses. Attention to detail and diversity of external finish and rooflines provides visual interest whilst the developments gardens are thoughtfully landscaped, extensively planted, and beautifully tended. Nearby is Falmouth's remarkable High Street which has enjoyed a remarkable renaissance in recent years - home to an eclectic mixture of antiquarian and individual shops and galleries and great restaurants and cafes. Falmouth Town train station provides a convenient link to the mainline at Truro for Exeter and London, Paddington. Falmouth Docks are a major contributor to the town's economy and along with Falmouth University (with campuses in Falmouth and Penryn) and Falmouth Marine School, specialising in traditional and modern boat building, marine engineering and environmental science, ensure an all year round and vibrant community. There are five primary schools and one secondary school in the town and highly regarded independent preparatory and senior schools in Truro. Falmouth boasts the third largest natural harbour in the world and is renowned for its maritime facilities which offer some of the best boating and sailing opportunities in the country. The town is consistently ranked as one of the top ten places to live in the UK.
