THE LOCATION – Calver Close is a development completed by Wainhomes which has proven extremely popular ever since and with very good reason. What the scheme offers is cul-de-sac peaceful living whilst being located centrally to all of the amenities that town living brings. Penryn is a historic and ancient market town with an active community and excellent everyday facilities including a nursery, primary and secondary schools. The town enjoys good communication with Falmouth via its bus service and train station, which links to Truro city and mainline Paddington. Penryn is enjoying something of a renaissance witnessed in the regeneration and development of Penryn's inner Harbour area providing riverside accommodation and extensive and exciting dining options. Penryn Campus is occupied by both Falmouth and Exeter Universities sharing buildings, facilities and services as part of the combined universities in Cornwall project; this recent transition into a University town is creating a real 'buzz' for the area.
