THE PROPERTY

So much of what makes 221 special is its position within this popular development, tucked on the edge of Longfield, in a traffic free location surrounded by trees and greenery. On the ground floor, is a fantastic dual aspect living/dining room with French doors onto a private terrace. There is also a modern kitchen with stable door to the rear garden. Upstairs, there are two spacious double bedrooms alongside a third single room, all with plenty of storage, and a well presented family bathroom. Located to the rear is the low maintenance, tiered garden including a turfed area and terrace. Parking is available with a residents parking area and a single garage. A particularly good and well placed example, all with the benefit of no onward chain!

THE LOCATION

Longfield is a popular location for those seeking a Falmouth address but with quiet residential living at heart. It is convenient too, about one mile from the town, harbourside and seafront, whilst local shops and two primary schools are within a few minutes' walk. The recent Co-op is a welcome addition and a great facility on one's near doorstep, opening early 'til late. Falmouth is a thriving and vibrant town with an eclectic mixture of independent and national shops, many galleries showcasing local art and crafts and an excellent and varied selection of places to eat and drink. Events Square and the National Maritime Museum regularly host activities and events throughout the year including Falmouth Classics, Falmouth Week and the Oyster and Sea Shanty festivals. Falmouth seafront faces south over the Bay with sandy beaches and access to the Southwest coastal path leading back to Swanpool near to the house. No wonder then, that Falmouth is consistently voted in the top of the UK.
