A traditional three bedroom semi-detached house in a popular and convenient location and with the benefit of off road parking and an enclosed rear garden.

The property has been owned by the same family for a long time having been well maintained. However, it would be fair to say that the property is ready for general cosmetic modernisation.

The front door of the house leads into a reception hall with stairs up to the first floor. An open plan lounge and dining room provides a homely family living space with windows to front and rear elevations. The ground floor accommodation is completed with a modest kitchen with external door to the side.

To the first floor there are three well proportioned bedrooms and a family bathroom which is fitted with a white suite and has an airing cupboard housing a modern condensing combi boiler.

Externally the property is approached over a shared access driveway which widens providing off road parking down the side of the house and leading to a detached garage. There are currently low maintenance gardens to the front and rear, the front garden consisting of an area covered with bark chippings surrounding by shrub borders. The front garden could easily be altered to create additional off road parking space. The rear garden is set out with low maintenance decorative gravel and shrub borders surrounded by timber panel fencing.

Whieldon Road is conveniently located within Stoke-on-Trent being opposite the Mount Pleasant Recreation Ground and with excellent transport links via the A500, A50 and Stoke Railway Station, all of which are less than a mile from the property. Further nearby amenities include primary school, convenience stores and sports club.

The property is offered with no upward chain.
