DESCRIPTION

Woodsetts is a handsome detached house situated in a prime central location, accessible to all local amenities. The property has been the subject of an extensive programme of improvement and extension in recent years and now offers very comfortably proportioned accommodation designed to compliment a modern lifestyle.

The accommodation comprises an impressive entrance hall leading to a generous sitting room where glazed doors open to the well equipped kitchen/dining room. There is a large utility room leading to the integral garage and a cloakroom. On the first floor there are five bedrooms, four doubles and a single together with bath and shower rooms.

The property is approached via a generous gated driveway which provides ample parking. To the rear of the house the thoughtfully designed garden has been planted for year round interest, incorporates various terraces for alfresco entertaining and a contemporary garden building, the ideal home office or gym.

SITUATION

Dental Street is situated within the desirable Conservation Area of the town, just behind the vibrant High Street, with its variety of interesting shops, boutiques, restaurants and cafes, together with 4 supermarkets (including Waitrose), doctors surgeries, etc. The attractive, unspoilt seafront and picturesque Royal Military Canal are only a little further and there are a variety of sports and leisure facilities in the vicinity, including 2 golf courses and the Hotel Imperial Leisure Centre.

The area is fortunate in having particularly good communications with a main line railway station in Saltwood (Sandling 3 miles) and access to the M20 (Junction 11 4 miles). The High Speed Link rail service to Stratford and St Pancras is available from Folkestone West (5 miles) and Ashford International (10 miles), with journey times of 53 and 37 minutes respectively. Eurostar trains to Paris and Brussels also depart from the latter.

The Channel Tunnel Terminal is only just over a mile away the ferry port of Dover is 12 miles away. (All distances are approximate.)
