## **DESCRIPTION**

This particularly handsome detached house is well situated on the southern side of this most exclusive road, towards the end of the cul-de-sac and stands on a particularly generous plot approaching 0.6 of an acre. The property offers impeccably presented accommodation which is light and airy and is of especially generous proportions.

A particularly attractive feature of the house are the southerly views to sea which can be enjoyed from virtually every room including the three reception rooms, kitchen/dining/living room and four out of the five bedrooms. There are very appealing original features throughout including fireplaces and joinery such as panelling in the reception hall and the superior staircase.

The gardens are a delight being incredibly secluded and providing a haven of peace and tranquillity. They are also home to the detached pool house with heated pool, changing room and shower room. There is also ample parking, a garage and car port.

## **SITUATION**

Pelham Gardens is considered to be amongst the most desirable of addresses in this sought-after West End location only about a mile from Folkestone town centre and a short, level walk from Folkestone West Station where the High Speed Link service to London, St Pancras is available (journey times of around 50 minutes).

The M20 (Junction 13), the Channel Tunnel Terminal and Ferry Port of Dover are all within easy reach, being 1, 3 and 5 miles away respectively.

The Leas Promenade with pleasant walks, fine views of the English Channel to France, bandstand and concert hall, is also only a short walk away.

There are a number of good schools in the vicinity, including Sandgate Primary School and boys and girls grammar schools, all within walking distance.

The accommodation comprises:

## **OUTSIDE**

### **GARDENS**

To the **front of the house** the garden is set behind a brick built planter planted with a row of hibiscus. The garden is generally occupied by a generous block paved carriage driveway providing parking and turning for a number of vehicles, access to the attached garage and access to a pair of electronically operated gates opening to a **covered car port** to the opposite side of the property.

### **GARAGE**

Electronically operated up and over door to front, pair of windows to side and access to roof space.

Directly to the **rear of the house** is a most attractive terrace paved in natural stone and enclosed by a low balustrade supporting an abundant wisteria and with a central flight of brick built steps leading down to a parterre garden with box hedging encompassing beds planted with azaleas, miniature rhododendrons and a central circular terrace paved in natural stone from where a further flight of steps lead down to the principle level of the garden. The parterre garden is backed by a stone pathway leading to the left to an attractive **conservatory** and to the right to a timber framed pergola supported on brick and stone piers. The principle section of the garden is laid extensively to lawn surrounded

by deep borders well stocked with predominately shrubs including a magnificent array of rhododendrons, azaleas, evergreens, acers and other plants affording the garden a great deal of privacy and seclusion. Adjoining the lawn is a generous free form pond backed by gunneras and a trickling water feature. From the pergola access can be gained to the car port at the side of the house, or a path that curves past various evergreen shrubs including pittosporums and ultimately leading to the pool house.

### **POOL HOUSE**

The pool house is of timber framed construction with a bank of sloping double glazed windows occupying an entire wall and entered via a pair of sliding double glazed doors with double glazed window to side. There is a generous **heated swimming pool** within the pool house with mosaic tiling. The building is heated, has two further pairs of double glazed sliding doors opening to the far end and doors leading to the **pump room** which is well equipped with the heating and pump systems relating to the pool and the **changing room** which is tongue and groove panelled in pine and incorporates a **shower** and wash basin with vanity cupboard below. There is also a separate WC with low level WC and louvered window to side.

Beyond the pool house is a further secluded paved terrace backed by a timber framed and glazed summerhouse/garden shed and from a path gently slopes away leading across a decked terrace set beneath a timber framed pergola to a greenhouse and two fruit cages. From here a pathway leads beneath the shade of an overhanging camellia and returns to the main lawn.
